Overview

Building on the success of previous game nights, this proposal aims to organize a board game night for MScAC students. This gathering provides a low-pressure environment to unwind between assignments and deadlines, share laughs, strengthen connections within the cohort, and connect with 2nd year students to learn from their experiences.

The event will take place on the date listed above, from 6:00 PM to 9:00 PM. Future events can be proposed separately based on attendance and participant feedback.

Invitations will be sent to both Cohort 25 and Cohort 26.

Benefits

- **Students**: Meet peers outside coursework, connecting with the cohort in an infromal setting, taking breaks between assignments, learning from the 2nd year students
- **MScAC**: Strengthens community, supports wellbeing, facilitates cross-cohort engagement
