

MScAC Game Nights Proposal

Overview

Building on the success of previous game nights, this proposal aims to continue organizing weekly Friday game nights for MScAC students. These gatherings provide a low-pressure environment to unwind between assignments and deadlines, share laughs, strengthen connections within the cohort, and connect with 2nd year students to learn from their experiences.

Schedule Proposed / Budgeted for - 4 Fridays - 11th Sep, 18th Sep, 25th Sep, 2nd Oct

Benefits

- **Students:** Meet peers outside coursework, connecting with the cohort in an informal setting, taking breaks between assignments, learning from the 2nd year students
- **MScAC:** Strengthens community, supports wellbeing, facilitates cross-cohort engagement
